Intro: **G // A // G // A // G // A // G // A //**

G The farther I **A** come the **G** farther I **A** fall

G Whatever I **A** knew is **G** nothin at **A** all

G Its nothing at **A** all just **G** making me **A** small

G Smaller and **A** smaller I **G** fall **A** now

G Sooner or **A** later the **G** view from the **A** ground

G Chasin and **A** racin the **G** races will run **A** you down

G Sooner or **A** later the **G** view from the **A** ground

G And with a **A** tear in your eye **G** you say baby **A** why can't we fly

D In the **A** blue **G** sky **Bm** /// **A**

D In the **A** blue **G** sky **A**

G // A // G // A // G // A // G // A //

G Be my **A** singing lesson **G** be my **A** song

G When I tell you I'm **A** fallin, you tell **G** me I'm **A** strong

G The trees have grown **A** taller the **G** birds have flown **A** high

G Higher and **A** higher **G** goodbye **A** goodbye goodbye

G I fly over a **A** rainbow **G** I'll be your **A** sunkist

G Sail **A** around the **G** planet **A** venus

G Send you a **A** long letter **G** way back **A** home

G Says all that I **A** know **G** All that I **A** know

D In the **A** blue **G** sky **Bm** /// **A**

D In the **A** blue **Bm** /// sky **A**

Em // F# // G // A // Bm // Bm // A // A //

Em // F# // G // A // Bm // Bm // A // A //

D In the **A** blue **G** sky **Bm** /// **A**

D In the **A** blue **Bm** /// sky **A**

G The farther I **A** come the **G** farther I **A** fall

G Whatever I **A** knew is **G** nothing at **A** all

G The trees have **A** grown tall the **G** birds have flown **A** high

G Higher and **A** higher

G Goodbye **A** goodbye (8 times at least)
