[instrumental] **A E D A**

A I'd like to rest my heavy head tonight

On a **E** bed of California stars

D I'd like to lay my weary bones tonight

A On a bed of California stars

A I'd love to feel Your hand touching mine

And tell me **E** why I must keep working on

D Yes I'd give my life to lay my head tonight

A On a bed of California stars

[instrumental] **A E D A**

A I'd like to dream my troubles all away

On a **E** bed of California stars

D Jump up from my star bed make another day

A Underneath my California stars

A They hang like grapes on vines that shine

And warm **E** the lovers' glass like friendly wine

D So I'd give this world just to dream a dream with you

A On our bed of California stars

[Repeat song above 1 more time]

[instrumental] **A E D A (x2)**

D So I'd give this world Just to dream a dream with you

A On our bed of California stars

[instrumental outro] **A E D A**
