Capo 1

[intro] drums then riff... **E E E E A A E E**

E Told you, baby, one more time
E Don't make me sit all alone and cry
Well, it's **B** over, I **A** know it but I **E** can't let go

E I'm like a fish out of water, a cat in a tree
E You don't even want to talk to me
Well, it's **B** over, I **A** know it but I **E** can't let go

E He won't take me back when I come around
E Says he's sorry then he pulls me out
I got a big **A** chain around my neck
E And I'm broken down like a train wreck
Well, it's **B** over, I **A** know it but I **E** can't let go

E See I got a candle and it burns so bright
E In my window every night
Well, it's **B** over, I **A** know it but I **E** can't let go

E You don't like to see me standing around
E Feel like I been shot and I didn't fall down
Well, it's **B** over, I **A** know it but I **E** can't let go

E He won't take me back when I come around
E Says he's sorry then he pulls me out
I got a big **A** chain around my neck
E And I'm broken down like a train wreck
Well, it's **B** over, I **A** know it but I **E** can't let go
