CHORUS:

**C** Dirt made my lunch,

**F** Dirt made my **C** lunch.

**F** Thank you Dirt, **C** thanks a bunch,

**F** For my salad, my sandwich

**C** My milk and my munch 'cause

**G** Dirt, you made my **C** lunch.

**F** Dirt is a word that we **C** often use,

**F** When we're talkin' about the earth **C** beneath our shoes.

**F** It's a place where plants can **C** sink their toes;

**G** In a little while a **C** garden grows.

CHORUS

**F** A farmer's plow will **C** tickle the ground,

**F** You know the earth has laughed when **C** wheat is found.

**F** The grain is taken and **C** flour is ground,

**G** For making a sandwich to **G** munch on down.

CHORUS

**F** A stubby green beard grows **C** upon the land,

**F** Out of the soil the **C** grass will stand.

**F** But under hoof it must **C** bow,

**G** For making milk by **G** way of a cow.

CHORUS
