Intro - A C G D A C G D

A Speak your C truth, G lower your expectations,
D and let him go A C G D

A Know that C what's inside is G yours to keep
D so lets just let it ride A C G D

A Love will C carry you thru G every sorrow that lies
D deep within your soul A C G D

A Time will C weaken your G resistance so
D just let yourself grow A C G D

Chorus

A Love, C life, G laughter, D knockin at my door (your, our) A C G D

A Love, C life, G laughter, D beggin you for more A C G D

A Love, C life, G laughter, D shows you the way A C G D

A Love, C life, G laughter, D carries you today A C G D

A Give all you've C got but G take the time to
D know what you need A C G D

A Don't get caught C feeding someone G else's soul
D and not your own A C G D

A Let life's C pain show you G what you need and
D how you've grown A C G D

A Shine thru all that C pain and G welcome
D all that is your own self A C G D

Chorus

LEAD (Jerry like licks)

Chorus

On our way today,

On our way everyday,

In every way

All along the way

Love will carry you, everyday

Love will carry you.
