A I want to say to my sisters & my brothers, D keep the faith
A when the storm flies & the wind blows, E go on at a steady pace
A when the battle is found and the victory's won
D WE can all shout together, we have overcome
A we'll talk to the Father and the Son D
D when we make it to the promised land A

[CHORUS]

A If we walk together, little children
D we won't every have to worry
A Through this world of trouble
E We've got to love one another
A let us take our fellow man by the hand
D try to help him understand
A we can all be together, D forever and ever
D when we make it to the promised land A

A Our bible reads, Thou shalt not be afraid D
A of the terror by night, or the arrow that flies by day E
A nor the pestilence that walketh in the dark D
A nor for the destruction, that waiteth in the noonday hour A

[CHORUS]

A This world is not our home We are only passing through D
A Our trail is all made up way beyond the blue E
A let us do the very best that we can
D while we're travelin through this land
A we can all be together shaking a hand D
D when we make it to the promised land A

OUTRO-

A When we make it to the promised land children D repeat A repeat E repeat
A When we make it to the promised land sisters
