G **G/F#**
I've loved strangers
G/F **E7**
Dodged deals and dangers
Am7 **D7**
Searchin' for my own little piece
Am7 **D7**
From the countryside to the slick city street

G **G/F#**
And I've missed my hometown
G/F **E7**
Been high and low down
Am7 **D7**
Learned every which way of the game how
Am7 **D7**
Some things do and some don't change

G **G/F#** **G/F** **E7**
Safe to say that I'm still crazy over you
Am7 **D7**
Your love, it gets me through
Am7 **D7**
When I'm stuck in life's Krazy Glue

C **D7** **G**
Ain't it funny how a little thunder
G/F# **Em**
Can make a man start to wonder
D7 **C**
Should you swim or just go under

C **D7** **G**
And ain't it funny how you learn to pray
G/F# **Em**
When your blue skies turn gray
D7 **C**
When there's nothin' left to say
D7 **G**
Shine on, rainy day

G **G/F#**
A friend once told me
G/F **E7**
He said, "boy you sound so lonely
Am7 **D7**
All these cheatin' leavin' done-me-wrongs
Am7 **D7**
Have you ever heard of a happy song?"

G **G/F#**
Well, offended, I sat down my glass
G/F **E7**
Smiled and let the moment pass
Am7 **D7**
Tab's on me if you think I'm lyin'
Am7 **D7**
Laughin' ain't a pleasure 'til you know about cryin'
