G I left Oklahoma, drivin' in a Pontiac, Just about to lose my **D** mind

D I was goin' to Arizona, Maybe on to California

D Where the people all live so **G** fine

G My baby said, I'z crazy, My mama called me lazy

G I was gonna show 'em all this **D** time

D 'Cause you know I ain't no foolin' And I don't need no more schoolin'

D I was born to just walk the **G** line

G Livin' on Tulsa time, Livin' on Tulsa **D** time

D Well, you know I've been through it

D When I set my watch back to it

D Livin' on Tulsa **G** Time

[Instrumental Verse]

G Well, there I was in Hollywood, Wishin' I was doin' good

G Talkin' on the telephone **D** line

D But they don't need me in the movies And nobody sings my songs

D Guess, I'm just a wastin' **G** time

G Well, then I got to thinkin', Man I'm really sinkin'

G And I really had a flash this **D** time

D I had no business leavin', And nobody would be grievin'

D If I went on back to Tulsa **G** time

G Livin' on Tulsa time, Livin' on Tulsa **D** time

D Gonna set my watch back to it

D 'Cause you know I been through it

D Livin' on Tulsa **G** time

G Livin' on Tulsa time, Livin' on Tulsa **D** time

D Gonna set my watch back to it

D 'Cause you know I been through it

D Livin' on Tulsa **G** time

[Instrumental Verse outro]
