F# One pill makes you larger
G and one pill makes you small
F# and the ones that mother gives you
G don't do anything at all
A ask Alice **C** when she's **D** 10 feet tall **A**

F# And if you go chasing rabbits
G and you know you're going to fall
F# Tell 'em a hookah-smoking caterpillar
G has given you the call
A Call Alice **C** when she **D** was just small **A**

[Bridge]

E When the men on the chessboard
A get up and tell you where to go
and you've **E** just had some kind of mushroom
A and your mind is moving low
F# Go ask Alice, I think she'll know **F#**

F# When logic and proportion
G have fallen sloppy dead
F# and the white knight is talking backwards
G and the red queen's off with her head
A remember **C** what the **D** Dormouse said **A**

[Outro]

E Feed your **A** head!
E Feed your **A** head! **A**
